

Free career help your clients can use today

A free, AI-powered career team for the UK — from Career Agenting System

Career Agenting System is five friendly AI specialists that help someone build a CV, apply for jobs, prepare for interviews, cope with the hard days, and settle into a new role. It's free to start every day, with no sign-up and no card — built specifically for the UK job market.

FREE RESOURCES TO SHARE WITH YOUR CLIENTS

- **The full career team** — app.careeragenting.com (CV, applications, interviews & support)
- **CV keyword checker** — careeragenting.com/tools/cv-keyword-checker/
- **Take-home pay calculator** — careeragenting.com/tools/take-home-pay-calculator/
- **Interview question practice** — careeragenting.com/tools/interview-question-generator/
- **Free CV, cover letter & NHS statement templates** — careeragenting.com/templates/
- **Getting back to work guide** — careeragenting.com/free-career-help/getting-back-to-work/

HOW IT HELPS YOUR WORK

- **Extends your time** — clients get unlimited, patient help with CVs and interview practice between your appointments.
- **Nothing to install** — it runs in a browser; the tools work on a phone with no sign-up.
- **Cost is never the barrier** — the core help is free, for the people who most need it.

AN HONEST NOTE

Career Agenting System is an independent service. It is not affiliated with, or endorsed by, DWP, Jobcentre Plus, the NHS or any government body, and it points people to official services such as the National Careers Service. It offers general career guidance and encouragement — not a guarantee of a job, and not legal, financial, benefits or crisis support.
